# Restoration Paint Colors

These colors replicate the paints of vintage and antique sewing machines. Unless otherwise noted, these colors are available as part of the Basic Repaint package at no additional cost.

## **Glossy Black (PR001)**

A match for: Singer glossy black

Finishing: Flat paint with high-gloss finish

## **White Celery (PR002)**

A match for: Singer 221k Featherweight "white" paint

Finishing: Flat paint with high-gloss finish

## **Champagne Beige (PR003)**

A match for: Singer 221 Featherweight tan paint

Finishing: Flat paint with high-gloss finish

## **Vintage Olive (PR004)**

A match for: Elna Supermatic

Finishing: Flat paint with matte finish

## **Vintage Shell Pink (PR005)**

A match for: White 656 pink model

Finishing: Flat paint with high-gloss finish

The below colors require the addition of ultra fine metal flake (50–100 microns) to achieve the original look. Please see the current paint pricing for the cost of adding metallic flake finish.

## **Retro Teal (PR006)**

A match for: Husqvarna Viking 19e Special

Finishing: Add Ultra Fine metal flake, high-gloss clear coat

## **Retro Red (PR007)**

A match for: Husqvarna Viking 6460

Finishing: Add Ultra Fine metal flake, high-gloss clear coat

# Essential Paint Colors

# Choosing a Base For Your Pearl

Below are examples of how the same Pearl color differs when shown over a color-matching base (top example) and a black base (bottom example). Painting a Pearl paint over a black base results in a deeper, richer color.

PENNY PEARL  
SP-PENNY

CARDIAC RED PEARL  
SP-CARDC

MARAVE PEARL  
SP-MRV

MADRID PEARL  
SP-MDRD

BOMBAY BLUE PEARL  
SP-BMBY

MACAW PEARL  
SP-MCW

COBALT BLUE PEARL  
SP-CBLT

BETTA TEAL PEARL  
SP-BTTL

## White Pearls

Pearlescent pigments with silver and white effects. Add to any color.

SPARKLE PEARL  
SP-SPRK  
Size: 40-300um

ICE ICE PEARL  
SP-ICEICE  
Size: 50-700um

MIAMI SILK PEARL  
SP-MIASLK

SILVER-WHITE PEARL  
SP-SLVW

WHITE LIGHT PEARL  
SP-WHTLT

GLITTER PEARL  
SP-GLTTR

# Candy Concentrate

Candy concentrates are a transparent paint that creates a rich, vibrant color effect, often applied over a metallic base.

BLACK  
CC-BLK

BLOODSHOT  
CC-BLDSHT

TROPIC ORANGE  
CC-TRPORG

CALI GREEN  
CC-CALGRN

EVERGREEN  
CC-EVRGRN

LEMONHEAD  
CC-LMNHD

MILE HIGH  
CC-MLHGH

## Element Pearls

These super metallic aluminum pigments are great bases for candy concentrate finishes.

TITANIUM FROST PEARL
